**Payments.** Payments may be made by EFT or by cash, credit card, or cheque. Visa and Mastercard payments incur a surcharge of 1%. Amex/Diners incur a surcharge of 1.9% of the payment amount. Cheques must be provided at least 7 days prior to the departure. EFT must be made at least 72 hours prior to departure and received into our account prior to departure.

**General bookings:** The booking is not confirmed until the deposit is paid. Full payment is required prior to departure.

**New Year's period bookings:** FULL PAYMENT IS REQUIRED 60 DAYS PRIOR TO DEPARTURE.

**Cancellations and Postponements.** Bookings can be postponed or cancelled if enough notice is given in writing. Approved postponements, the booking may be transferred to a new date, within 6 months of the original booking, and incur a 10% fee of the total charter amount. The required notice of postponement: **December and Public Holidays:** 60 days. **Other bookings** 30 days.

**Inclement or unsafe weather.** EastSail determines the suitability of conditions and the possibility of postponement on the day of the charter. In the case of an approved postponement, the deposit will be held by EastSail for you to rebook this charter, less a 10% administration fee and the full amount of any catering, drinks and crew fees. This charter can be rebooked for a date within 3 months of the original booking, after which the credit will expire. Refunds are not available.

**Bond payments.** Credit card bonds are authorized, but not charged by a process called "Pre Authorisation". Your credit limit will be affected for 5 business days. The pre-auth will be converted to a sale if the boat is damaged or we receive a notification of damage to third party property. Bareboat charter bonds are doubled for NYE and when the yachts are racing.

**Damage / Marine Toilet / Cleaning** Any loss or damage to the yacht or equipment will be charged to your bond.

A charge of \$250 will be charged if the toilet is blocked during your charter.

Please leave the yacht tidy with dishes done or there is a cleaning fee of \$100.

**Vessel.** EastSail reserves the right to change a charterer's booked vessel to another vessel of similar size and/or style as possible or cancel or postpone any booking.

**Catering.** You are welcome to bring your food and drinks with you on our boats or can be ordered through EastSail suppliers. Final numbers are required 72 business hours prior to departure. Catering cannot be varied or cancelled after this time. Drinks can be ordered through our cellars. No returns or storage for left over drinks is available. The boats are equipped with plates, bowls, cups etc, which you are welcome to use provided they are washed after use.

**Car Parking.** Parking can be difficult around the water front, please allow enough time. Generally in the surrounding streets one side of the road offers unrestricted parking and the other side is limited to 2 hours. Please check parking signs before leaving your car. There are two parking stations located in New McLean St, Edgecliff.

**Attire.** Comfortable clothing and dressing in layers, a snug fitting cap, sunglasses with safety strap and sunblock is recommended. We have long spray jackets available for use during your charter. **Wearing suitable footwear is important.** Please ask your guests to wear soft soled, non-marking shoes. Hard soled shoes, high heels and black soled shoes can damage or mark the decks. Bare feet and thongs do not give adequate protection.

**Rigid plastic or metal food containers/coolers, hard suitcases or bags with wheels.** Are not permitted aboard due to the damage they cause to the varnish work. Each yacht has either an icebox or a fridge. Foam coolers or soft cooler bags are permitted. Ice is available for purchase.

**Docking/Rafting.** Our vessels may not be taken alongside any dock, jetty or other vessel. A limited number of rowing dinghies are available for your use, please advise us if you require a dinghy. Water taxis can be contacted to do transfers from the yacht to shore. Docking damage to the yacht is the greatest (most expensive) risk and may exceed the value of your bond. Bareboat charters start and finish at our base in Rushcutters' Bay. Skippered charters have the option of an alternate pick up and/or drop off locations at additional cost and/or time sacrifice.

**Dinghy, Linen, Children's Life Jackets & Awnings,** can be booked in conjunction with a charter. There is no cost for awnings or hard plastic rigid dinghies except over NYE where demand exceeds supply. Inflatable dinghies for offshore charters only are an additional fee. Linen must be pre-booked and a fee applies.

**Charter area & Overnight charters** Bareboat: Our boats are licensed to operate on the smooth and partially smooth waters of Sydney Harbour. Our Beneteau First 40 'Leeward' and Beneteau First 47.7 "Marguerite" have licenses that allow limited offshore operation to approved customers. Bareboat charters must not be underway between sunset and sunrise. Skippered: With one of our qualified skippers aboard the sunset restriction does not apply and some boats have offshore capability.

**Surcharges & Special Conditions.** Apply to Christmas - New Year's period and Australia Day
