

MUSIC SELECTION PROCEDURE:

(USE THIS LIST...OR... MAKE UP YOUR OWN LIST OF SONGS AND WE WILL SUPPLY)

1. By default a Minimusic DJ is supplied with a music set that covers the latest in Top 40/Dance through 90's 80's 70's 60's 50's 40's 30's, so if you prefer, you can simply make requests at the party or leave music selection in the capable hands of the DJ.

Otherwise:

2. Fill in the "Music List" below. You may simply suggest categories in the "General Overview" section and/or indicate certain songs in the "Specific Titles" section.

3. Hand the "Music List" to the DJ at Your party. Do not return it to our office. All categories and titles shown are carried by our DJ plus many more.

4. If there are songs you want played that are not on our "Music List" you may compose a list of "Special Requests" that indicate Artists and Titles.

This "Special Requests" list must be returned to our office prior to seven days before your occasion. (Approximately 15 songs = 1 hour).

5. You may bring some of your own music to be played.
